My ICE Plan is home inventory software branded with your company name and logo. A perfect way in keeping connected with your customers. Inexpensive and better than the traditional method of promotional gifts like pens & coffee cups.

- Distribute via CD’s, web sites, email, links on invoices etc.
- Cost pennies to distribute – unlimited distribution rights
- Insurance companies recommend a home inventory
- Software contains sections for family & pet emergency planning!

### What’s included?

- Software is branded with your company name/logo in Main window.
- One “About Us” window
- One “About Our Services” window
- Links to your web site from Main Menu and within About screens
- A “Disclaimer” window alleviating you from software support.
- 100 color printed CD’s and 100 paper sleeves
- 100 Mailers with window. Company name is displayed when mailed.
- Professional install menus and built in User manual.
